TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

The Willows — The Jenolan Caves are situated about 90 miles from Sydney and are justly considered one of the wonders of the world. They were discovered by Mr. James Whalan in 1838 during a search after a bushranger, Mc Keown, who was hiding there from justice. "The Willows" are so named from their peculiar formation and colour. Steps are cut in the limestone to assist visitors in viewing these natural marvels.
